

Recommendation Letter: A-WAY Solution & Projects

Att: Mr Jean Geldenhuys

To Whom it may Concern:

I am writing this letter to express my utmost satisfaction with the service provided by A-Way, specifically the installation carried out by Mr. Jean Geldenhuys. I recently had an inverter and battery installed at my residence, and I am pleased to say that the service exceeded my expectations.

Mr. Geldenhuys demonstrated a high level of professionalism and expertise throughout the installation process. His attention to detail and commitment to ensuring the work was done to an excellent standard truly stood out. From the initial assessment to the final setup, Mr. Geldenhuys exhibited a thorough understanding of the products and their functionality.

What impressed me the most was his ability to communicate complex technical details in a clear and understandable manner. He took the time to address any questions I had and provided valuable insights into the proper maintenance and operation of the installed equipment.

Not only did Mr. Geldenhuys complete the installation efficiently, but he also left the work area neat and tidy. It is evident that he takes pride in his work and is dedicated to delivering top-notch service to his clients.

Based on my positive experience, I would not hesitate to recommend Mr. Jean Geldenhuys and A-Way to anyone seeking reliable and professional services in the field of solar installations. His expertise and commitment to customer satisfaction make him an asset to your company.

Installation consists of:

- 8kw Sun-Synk Inverter
- 2x 5kw Sun-Synk Lithium batteries
- 14x 600W Canadian Solar Panel

Kind Regards
