LETTER OF RECOMENDATION: A-Way Solutions & Projects

To whom it may concern,

Jean Geldenhuys at A-Way Solutions & Projects installed our solar system at D&A Gearbox Services in 2023.

The system installed : 3 x 12Kw Deye three phase Inverters connected
30Kw Deye Battery bank
42 x Canadian Solar Panels 545w

Jean and his team work very efficient. Jean is always helpful and friendly. His knowledge and know-how spoke of utmost professionalism and he is very competent. The pride he takes in his work was visible in even the smallest of details.

We feel very comfortable in recommending A-Way Solutions & Projects to do any solar installation that you may desire.

Kindly contact me if you need any more clarity.

Kind regards,

Derek Mills
